

## **Letter From The Chairman:**

To our valued clients & colleagues,

In this ever changing and challenging business climate, people are looking to deal with companies built on a strong foundation that can deliver the promises they make. Proud to have been established since 1970, Homepack Fright int'l Group (HFI) has successfully proven itself over and over again, confirming that hard work pays off.

HFI's dedication focuses not only on its clients but also on its employees, ensuring a healthy work environment supported by rigorous training across departments. HFI is of the belief that happy employees translate into more productive and efficient work, which further translates into happy clients.

HFI's winning formula for success includes personalized service at every step of the moving process. We thrive on communication and understand that efficient communication is at the heart of a successful relocation.

HFI continues to work solely in-house, with the understanding that quality levels are better achieved and controlled through this process. We are constantly finding new ways to enhance our internal processes & procedures.

We pride ourselves and thrive on the service we provide to all our customers with no exception. Our reputation precedes us, our commitment is unwavering and our integrity is unquestionable.

We look forward to serving you and we guarantee you a memorable experience.

### **Relocation:**

At HFI, we handle every relocation with the utmost care; from individually packing each piece of chinaware to custom crating of fragile items, our packing techniques and expertise meets and exceeds industry standards. Being members of FIDI (the global alliance of professional international moving and relocation companies) HFI has a database of top quality

FIDI movers worldwide, ensuring your relocation will be handled with the same care & expertise at its final destination.

### **Office Relocation:**

Well organized and detailed planning of every move allows us to coordinate hundreds of employees effortlessly.

Our specialists sit together with procurements and map out every step of the move months before it will take place. HFI's goal is limit down times so that a move does not negatively affect a company. Special handling is also provided for high valued IT equipment.

### **Staff:**

With more than 130 well trained employees, HFI has been successful in building a very unique workforce. Specialists in their field, our packers, laborers, and drivers have all had at least 15 years of experience.

Office staff are all handpicked and assigned to appropriate departments, and undergo monthly training sessions. Candidates are also selected and sent abroad for further training by top international movers.

### **Special Projects:**

A dedicated department is in charge of handling warehousing, logistics, distribution and fragile objects. At HFI experienced employees successfully handle and accomplish seemingly complicated jobs.

## Fairs & Exhibitions:

HFI has successfully been handling fairs & exhibitions in Pakistan since 1979. HFI has a thorough understanding of the Pakistani customs, rules and regulations; allowing it to handle the inbound and outbound portion for moves effortlessly.
